

Parking permits

Sunny Corner Car Park has a variety of parking permits available to local residents and business only. However, if any of our permits listed below do not meet your requirements then please talk with our attendant or call 07771 571981.

Due to the size of the car park we have limited permit spaces available particularly during the summer months. Therefore, between the months of June and August we are limiting the number of permits to just **TEN**.

Weekly, monthly, quarterly, or annual permit can be purchased from the attendant or by calling 07771 571981. Payment for all permits except annual permits **MUST** be made up front and in full. Annual permits can be paid either in 12 monthly installments or for additional discount, up front and in full.

One permit may be used for two vehicles but only one vehicle can be parked in the car park at any one time.

All permits are subject to an additional discount if payment is made via by bank transfer.

Permit Types

- Overnight - You will be entitled to park between the hours of 17:00 and 09:00, 7 days a week;

Reserved space permits

A Reserved space permit entitles its holder to park in any one of our designated reserved spaces. Three different options are available:-

Occasional user permits

Occasional user permits are available to those who use the car park regularly but not for long periods. The permit is free of charge but **MUST** be used in conjunction with the purchase of a 4 hour Pay & Display ticket, purchased at the time of arrival.

Example, daily rate is £8.00 and the 4hr rate is £4.00. So if you wish to park all day and you have an Occasional user permit then you only need to purchase a 4hr ticket which will entitle you can to park all day for just £4.00.
